Dear

I trust everything is going great for you this winter! Are you thinking summer yet? I am! Time to be thinking about working a week or so at Camp Manitoumi this summer.

1. Scheduling weekly workers will be based on age and if you have worked at camp before.
2. Everyone that finishes a week will be paid a "love gift" of \$12.00 for that week. Each week worked will be \$12.00 no matter how many years you have been here or how many weeks you stay. Remember, this a **ministry** not be a job.
3. Staff shirts will be given on the start of your week.
4. **You may only work a maximum of 2 weeks.** After an evaluation, additional weeks may be granted.
5. Please note: There have been a couple of additions to the schedule. See the Weekly request sheet.
6. **We are also looking for full time staff to manage the Zip line & Paintball. We are also in need of life guards after they have completed a training course.**

Enclosed you will find a work request week, staff application and a reference form. Fill out the staff form and week requested sheet and return it back in the envelop enclosed. Have your youth pastor or pastor in your church fill out the reference and have them send it to camp (**No one else's reference will be accepted!**). I can't look at your application until I have the reference form returned.

If you or your parents have any questions please call the camp. I'll be happy to answer them.

One of our goals again this year is that not only that you minister to others, but that you come away from camp having been ministered to also.

REMEMBER, THERE IS JOY IN SERVING JESUS!

NOTE: DO TO THE HIGH REQUEST AND AVAILABLE STAFF TO MONITOR. THOSE WANTING TO STAY THE WEEKEND BETWEEN JUNIOR AND SENIOR HIGH WILL NO LONGER BE ABLE TO DO SO.

A fun place to learn the right way to live!
