A Fun Place to Learn the Right Way to Live

One-Year Bible Reading Plan

This Bible reading plan is designed so that the reader can read through the entire Bible within one year. Each reading will take about 20-30 minutes each day.

- Each week has six readings, giving you one day to be able to catch up or to do some additional reading.
- There are no dates so you can start whenever you would like. Also, there are no dates, so you don't have to finish by a certain date. Don't get discouraged if you get "behind." Simply just keep reading the next passage until you complete it.
- To prepare yourself to read, spend some time praying, sing a hymn to God, or simply just be still for a little bit of time.
- As you read, ask questions:
 - What does this passage say about God?
 - What does this passage say about mankind?
 - Is there some attribute of God that I can adore God for?
 - Is there anything in my life that I should change as a result of reading this passage?
 - Are there questions that come from reading this passage I should study more or ask someone else?

Time with God is never wasted. We pray you will grow closer to God as you spend time with him in his Word (Isaiah 55:10-11; 2 Timothy 3:16-17; Hebrews 4:12).
